## INDEPENDENT AUDITORS' REPORT

To the Board of Directors,  
Southern Scholarship Foundation, Inc.:

### *Opinion*

We have audited the financial statements of Southern Scholarship Foundation, Inc., which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Southern Scholarship Foundation, Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southern Scholarship Foundation, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Scholarship Foundation, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southern Scholarship Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Scholarship Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Information***

Management is responsible for the other information. The other information comprises the Schedule of Buildings and Investments Held In Perpetuity but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

***Report on Summarized Comparative Information***

We have previously audited the financial statements of Southern Scholarship Foundation, Inc. for the year ended December 31, 2021 and we expressed an unmodified opinion on those statements on April 21, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021 is consistent, in all material respects, with the audited financial statements from which it has been derived.

**SOUTHERN SCHOLARSHIP FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

(1) **Summary of Significant Accounting Policies:**

The following is a summary of the more significant accounting policies and practices of the Southern Scholarship Foundation, Inc. (the “Foundation”) which affect significant elements of the accompanying financial statements:

(a) **General**—The Foundation’s primary purpose is to assist capable and motivated students whose lack of personal resources would prevent them from gaining a college education without substantial assistance. Students from all states are eligible for assistance; however, the Foundation gives preference to students who are residents of Florida. The scholarship houses serve students at Florida State University, Florida A&M University, the University of Florida, Florida Gulf Coast University, Tallahassee Community College, and Santa Fe Community College.

(b) **Income Taxes**— The Foundation is generally exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. However, net income derived from unrelated business activities is not exempt from federal income taxes. The Foundation is treated as a publicly supported Foundation, and not a private foundation.

The Foundation has reviewed and evaluated the relevant technical merits of each of its tax positions in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes, and determined that there are no uncertain tax positions that would have a material impact on the financial statements of the Foundation.

(c) **Basis of Accounting**—The Foundation prepares its financial statements on the accrual basis of accounting, and accordingly revenue is recognized when earned and expenses are recognized when obligations are incurred.

(d) **Use of Estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

(e) **Property and Equipment**—Property and equipment are recorded at cost. The Foundation’s policy is to capitalize appropriate assets with costs of \$1,000 or more. Property and equipment are depreciated over the estimated useful lives of 5 to 39 years of the assets by use of straight-line method.

(f) **Cash and Cash Equivalents**— For purposes of reporting cash flows, cash and cash equivalents include cash on hand, amounts due from banks, and short-term investments with original maturities of 90 days or less.

(g) **Functional Allocation of Expenses**— The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**SOUTHERN SCHOLARSHIP FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

(1) **Summary of Significant Accounting Policies:** (Continued)

(h) **Advertising**— Advertising costs are expensed to operations as incurred. Advertising costs were \$318 for the year ending December 31, 2022.

(i) **Net Assets**— Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

(j) **Revenue Recognition**—Revenues are recognized when the earnings process is substantially complete and services are performed. Revenues received for the following year are shown as deferred revenue in the Statement of Financial Position.

(k) **Accounts and Pledges Receivable**—Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Based on management's assessment of the credit history with customers having outstanding balances and current relationships with them, it has concluded that realization losses on balances outstanding at year-end will be immaterial. Pledges receivable are reported at net present value using discount rate, pledges are collected over five to ten-year periods. At December 31, 2022 the Foundation provided an allowance of \$12,956 to pledges receivable.

(l) **Pronouncements Issued**—In February 2016, the FASB issued Accounting Standards Update 2016-02: Leases (Topic 842), to increase transparency and comparability among Foundations by recognizing lease assets and lease liabilities on the Statement of Financial Position and disclosing key information about leasing arrangements. The new standard is effective for fiscal years beginning after December 15, 2021. The Foundation evaluated the effect of implementation of the standard and noted it had no effect on the financial position, results of operations, and cash flows.

(m) **Accrued Leave**—The Foundation compensates its employees for unused accrued paid time off upon termination of employment. The amount of the change in accrued leave for all employees from one year to the next is reported as an expense during the current year. Employees are able to accrue up to 180 hours of paid time off. For employees with 10 years of service or more, the Foundation will pay out 25% of sick leave for a maximum of 120 hours. At December 31, 2022, the Foundation accrued leave of \$32,368.

**SOUTHERN SCHOLARSHIP FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

(1) **Summary of Significant Accounting Policies:** (Continued)

(n) **Contributions**—All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as contributions that increase the donor restriction net asset classification. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Foundation reports the support as unrestricted.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

Contributed property and equipment is recorded at fair value at the date of donation. In the absence of donor-imposed stipulations regarding how long the contributed assets must be used, the Foundation has adopted a policy of not implying a time restriction on contributions of such assets.

(o) **Investments**—Investments in marketable securities and investment pools, with readily determinable fair values are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets as a component of investment income.

Investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the fair value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

(p) **Reclassification**—Certain prior year amounts have been reclassified to conform to the current year presentation.

(2) **Concentration of Credit Risk:**

(a) **Demand Deposits**—The Foundation maintains demand deposits with several banks. The Foundation has no policy requiring collateral to support its cash deposits, although accounts at the banks are insured up to Federal Deposit Insurance Corporation limits.

(b) **Investments**— Investments that potentially subject the Foundation to concentrations of credit risk include investments. These investments are held in high quality institutions and companies with high credit ratings.

(c) **Accounts and Pledges Receivable**—The Foundation's receivables are for amounts due from operations, and pledges made by individuals and corporate giving. The Foundation has no policy requiring collateral or other security to support its receivables.

**SOUTHERN SCHOLARSHIP FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

(3) **Property and Equipment:**

The following is a summary of property and equipment at December 31, 2022:

Land	\$ 492,296
Buildings	12,779,176
Furniture and equipment	1,140,119
Autos and trucks	16,292
Software	53,886
Construction in process	389,784
Less: accumulated depreciation	(8,209,711)
Total	<u>\$ 6,661,842</u>

(4) **Pledges Receivable:**

During 2022, pledges receivable are reported at net present value using a discount rate of 6.00%. As of January 1, 2022, the net pledge receivable balance was \$407,551 with an allowance for doubtful accounts of \$12,956. The Pledge receivable balance at December 31, 2022 was as follows:

Pledge Receivable	\$ 290,723
Allowance for doubtful accounts	(12,956)
Net present value adjustment	<u>(18,257)</u>
Total pledges receivable, net	<u>\$ 259,510</u>

Future maturities of pledges receivable, net of present value discount at December 31, 2022, was as follows:

Less than one year	\$ 35,450
More than one year	<u>224,060</u>
	<u>\$ 259,510</u>

(5) **Retirement Plan:**

The Foundation sponsors a SIMPLE retirement plan that covers any employees that have received at least \$5,000 in compensation in any one prior calendar year. The Foundation has the option to either match employee contributions up to 3% of compensation or provide a nonelective contribution of 2% of each employee's compensation. Total expense for the year ended December 31, 2022 was \$12,957.

**SOUTHERN SCHOLARSHIP FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**(6) Liquidity and Availability:**

Financial assets available for general expenditure, that is, without donor restrictions or internal board designations limiting their use, within one year of the statement of financial position date, comprise the following:

Cash and cash equivalents	\$	555,100
Accounts receivable		38,698
Due from houses		130,239
Pledges receivable, current portion		35,450
Total financial assets		759,487
Financial assets available to meet cash needs for general expenditures	\$	759,487

In the event of an unanticipated liquidity need, the Foundation has \$100,000 of an unused line of credit.

**(7) Net Assets with Donor Restrictions:**

Net assets with donor restrictions as of December 31, 2022 consist of the following:

Contributions from various donors	\$	154,081
Endowed funds		8,714,030
Total		\$ 8,868,111

Net assets are restricted for scholarships, other student support, and institutional support. Contributions from various donors are considered restricted until spent for its intended purpose.

**(8) Line of Credit:**

The Foundation has an available line of credit for \$100,000 with a rate of approximately 6% and is secured by real property. There was no outstanding balance on the line of credit as of December 31, 2022.

**(9) House Accounts:**

The Foundation provides for each of the scholarship homes to have a house bank account. The house accounts are budgeted and maintained by the student residents of each house held in the name of the Foundation. The house accounts are used to collect fees from the student residents to pay certain house expenses such as utilities, pest control, security alarm services and house credit cards.

The cash balances of the house accounts have been recorded on the statement of financial position as cash and corresponding liabilities included with other current liabilities. During the year ended December 31, 2022, the Foundation billed \$821,432 to student residents to cover these house expenses.

**SOUTHERN SCHOLARSHIP FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**(10) Fair Value Measurements and Investments:**

The Fair Value Measurements and Disclosures Topic of the FASB Codification defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The Codification requires the use of valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset or liability. Inputs may be observable, meaning those that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from independent sources or unobservable, meaning those that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. In that regard, the Codification establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

(11) **Endowments:**

The Foundation has received many contributions and bequests for endowments over the years with donor-imposed restrictions on the use of principal and/or income generated from the invested assets. Those restricted contributions are invested in cash, equities, and, fixed income securities in a manner that is intended to generate a real return that will adequately fund the spending policies and ultimately satisfy the intent of the donors of the endowed funds. Generally, the original corpus of the endowed funds are restricted in perpetuity with interest, dividends and gains and losses being available for spending in accordance with donor restrictions.

The Foundation applies the State of Florida's Uniform Prudent Management of Institutional Funds Act (UPMIFA), which requires the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. The Foundation classifies endowments as net assets with donor restrictions consisting of (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund, and (d) market value of endowed funds in excess of the fair value of the original gift which remains restricted by the donor until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA. The Foundation allows spending from endowment funds based on the current spending policy. In accordance with UPMIFA, the Foundation considered the following factors in making its determination to appropriate or accumulate endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

*Investment Return Objectives, Risk Parameters and Strategies.* The Foundation adopted investment and spending policies approved by the Executive Committee of the Board of Directors, on behalf of the Foundation Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes cash, equities and mutual funds that are intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make annual distributions while growing the funds if possible. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

(12) **Subsequent Events:**

The Foundation has evaluated events and transactions for potential recognition or disclosure in the financial statements through May 11, 2023, the date which the financial statements were available to be issued. No subsequent events have been recognized or disclosed.

(13) **In-kind Support:**

The Foundation receives donations of supplies and services to help serve clients. The value of this in-kind support is based upon the fair value of donated supplies and services. In-kind revenue related to supplies and services were \$43,366 and \$20,622, respectively, for the year ended December 31, 2022 and is recognized in the Statement of Activities.

(14) **Restatement of Net Assets:**

Subsequent to the issuance of the December 31, 2021 financial statements, management became aware of the following: understatement of donor restricted net assets and overstatement of without donor restricted net assets by \$481,384 due to presentation of investment income.

The impact of the restatement increased the donor restricted net assets and decreased the without donor restricted net assets by \$481,384 on Statement of Financial Position.
